

Attract staff

For a low monthly fee, small business owners can now offer their employees a world-class, insurance-free healthcare option. Provide your staff with 90% of their healthcare needs. No enrollment period means you can add or remove employees anytime.

Pays for itself

High turnover costs you up to \$3,500 per employee, but you can prevent it. Businesses offering healthcare improve turnover rates by as much as 80%!

HDPC is your small town doctor in a modern world; Dr. Langley communicates with her patients via phone, email, and text. She is radically available and knows how to navigate the healthcare system. Without health insurance to get in the way, her only priority is keeping her patients healthy, and saving money with her negotiated low prices for medications, labs, and imaging.

Homestead Direct Primary Care

Employer program

What works for your business?

\$50/emp/mo

● Silver package

Cover 80-90% of your employees medical care by giving them access to their own physician whenever they need it, no co-pay required.

\$189/emp/mo

● Platinum package

Don't just stabilize current health but allow your employees to grow and thrive with monthly personalized health coaching from Live Nourished.

Can't make it in during office hours to pick up your medications? We can leave them for you in our convenient locker!

\$100 one time

● Bronze package

Encourage employees to prioritize their health by covering enrollment fees to allow them to pay only the monthly membership fees for the future.

\$75/emp/mo

● Gold package

In addition to the basics, add to an allowance of \$25/month to cover necessary labs, imaging, and medications for each individual.

What about family? +

Family members can be added easily following our typical rates, see cosdoctor.com for details
